Dear Mike,

My firm owned the Holiday Inn Main Gate East for approximately five years. During our entire ownership of the Hotel, Main Gate Management ("MGM") was the manager. I found MGM to be knowledgeable, creative, experienced, extremely aware of local market conditions and always-forward thinking. MGM proposed a number of what proved to be very smart ideas for upgrading rooms to suites, creating "kids suites" and theming rooms.

I would give Mike Cassara and his team an unqualified recommendation.

Sincerely,
